EPIC Participant Advisory Panel (EPAP)
A partnership between participants and researchers

REPRESENTATIVES OF ALL EPIC-NORFOLK PARTICIPANTS

‘You feel like you belong and you feel valued as a person -- it’s nice to have your opinions listened to (right or wrong!)’

‘I’m amazed how involved we have become in the study, it’s come a long way’

‘We feel what we do is welcomed by the researchers which makes a real difference’

‘I thought it would just be a tick box exercise but now I realise it is most definitely not that’

‘We bring a variety of lifestyles and backgrounds and we all put our own opinions in’

‘The input we put in does go down on paper and it does go to the right people’

‘It allows us to have an impact which is shown in the feedback we receive’

‘We enable the participant to understand what is going on which is very important’

‘We represent the person in the street’

THANK YOU TO ALL PANEL MEMBERS
